The first 2010 Spring Season soccer game will be held on **April 10, 2010**. There will be seven games during the regular season and, *for the U8, U10, and U14 divisions only*, an end-of-season tournament. All games will be held on Saturday mornings at the Big Walnut Sports Park. Practices will begin two weeks before the first game (week of March 29).

Team assignments: Siblings will be assigned to same team if same level. Any parent who coaches will be placed with his or her child. No other special request (relating to friends, transportation, favorite coach, etc.) will be considered.

Recreational (REC) League soccer is the name of PCYSA's intramural soccer division. It consists of teams from U6 to U14 (Under-6 to Under-14). Players will be placed on teams based on their ages. REC soccer is an instructional league with emphasis on fun and development. If you have any questions, please contact Scott Parsons at (765) 247-9992.

Travel League soccer is the highest level of soccer offered by PCYSA. Teams are formed for a one-year, two-season (Fall/Spring) commitment. Tryouts are normally held in the summer each year. Travel League teams represent PCYSA in competitive league play against the best players/teams that other clubs have to offer. Travel League soccer requires a high level of commitment, and players are exposed to the highest level of coaching available through PCYSA. It is open to boys and girls Ages 8-14. Please contact Ed Neumann at (765) 719-1327 for more information.

If you do NOT live in Greencastle and would like your child to be considered for a **community-based team** (numbers permitting) that practices near your home but still plays its games in Greencastle, check the community nearest your home below:
